

FIRST CHANCE
for children

2021

Annual Report

July 2020-June 2021

Why?

We envision a world where all children will arrive at school ready to learn and succeed in school and in life.

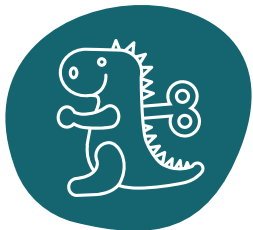

How?

First Chance for Children provides early childhood programs and family resources to foster healthy outcomes for children and families in mid-Missouri.

1098 families served in 9 counties

9 out of 10 at or below 200% of the poverty line

Lend & Learn Libraries

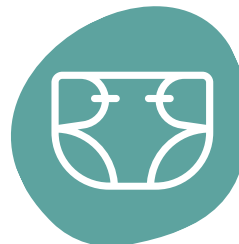

94%

learned new ideas to help their child grow and develop

A fun place for parents to play with their children, connect with other parents, ask development questions, and check out toys. Free and open to anyone with children ages 0-5.

Baby Bags Diaper Bank

98%

wouldn't have enough diapers without the program

Necessities for families when they need them the most, like diapers, wipes, health, and safety items. Free and available to families who don't have enough diapers.

Safe Cribs

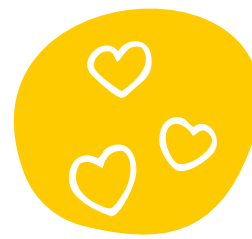

0

deaths due to unsafe sleeping practices

A safe bed for infants, home visitation, resources and safe sleep information for families. Free and available to families without a safe place for their infant.

Baby U Home Visiting

93%

gained skills to effectively parent their child

Home visitation for families with children ages 0-5, focusing on child development and family well-being. Free and available to families at or below 200% of the poverty line.

2020-2023 Strategic Plan

Our commitment to sustainable change

Cultivate resources to be intentionally accessible and inclusive to all families in the counties we serve

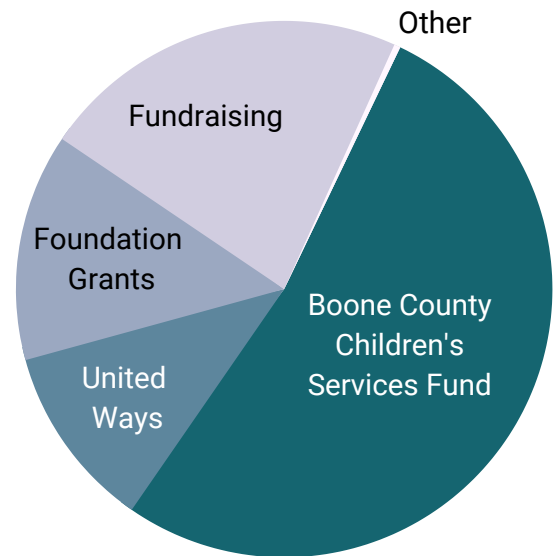

Build and execute an inclusive, advocacy-centric brand and marketing strategy that educates and informs across all levels of our communities

Develop a contributed revenue strategy that supports revenue diversification and positions us to grow our programs and supports building healthy reserves

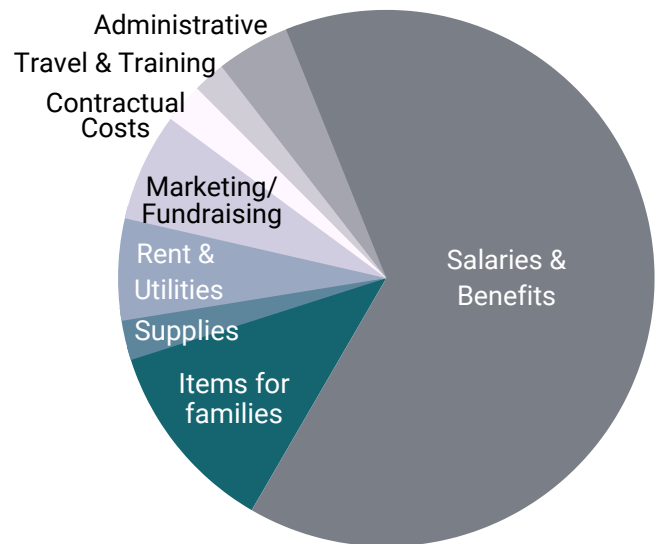

research-based decision making is foundational to all that First Chance for Children does
